MARCH IS WEST COAST SWING MONTH!

Thursday evening classes. 7:00-7:50 p.m. \$10 per person
Dance Party follows from 7:50-9:30 included with the class fee.
West Coast Swing is a partner dance derived from Lindy Hop. It is characterized by a distinctive elastic look that results from its basic extension-compression technique of partner connection, and is danced primarily in a slotted area on the dance floor. The dance allows for both partners to improvise steps while dancing together.
